

# USDA REAP PROGRAM

## APPLICATION ASSISTANCE

### REAP

The Rural Energy for America Program (REAP) provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses for renewable energy systems or to make energy efficiency improvements. Contact us to learn more about how we can help you apply for loan and grant funding through the USDA REAP Program.

### Who can apply for this program?

- Agricultural producers with at least 50 percent of their gross income coming from agricultural operations
- Small businesses in eligible rural areas

### Funds Can Be used For:

- Biomass (for example: biodiesel and ethanol, anaerobic digesters, and solid fuels)
- Geothermal for electric generation or direct use
- Hydropower below 30 megawatts
- Hydrogen
- Small and large wind generation
- Small and large solar generation
- Ocean (tidal, current, thermal) generation

### Funds can also be used to buy, build, and install energy efficiency improvements such as:

- High-efficiency heating, ventilation, and air conditioning systems (HVAC)
- Insulation
- Lighting
- Cooling or refrigeration units
- Doors and windows
- Electric, solar, or gravity pumps for sprinkler pivots
- Switching from a diesel to an electric irrigation motor
- Replacement of energy-inefficient equipment
